On arrival at Veer Savarkar Airport, our travel executive would receive escort you to your hotel. After check in, your day tour would start with a visit to the main attraction in Port Blair, the historic national memorial cellular jail also known as kaalapaani. The Cellular Jail declared a national memorial was constructed by Britishers in 1906. Cellular Jail has mutely witnessed the most inhumane atrocities borne by the convicts, who were mostly freedom fighters. The day draws to a gentle close with the Sound and Light Show at the historic Cellular Jail which gives you a vivid experience of its strong association with the freedom fighters and their struggle for independence.

## Day 2: Swaraj Dweep (Havelock Island), Radhanagar Beach

Get geared up to visit Asia's No.1 beach rated by Times magazine, Radhanagar beach. This virgin white sand beach is best place for swimming as there are no rocks in the coast and the waves are not too high. Although Havelock is the most developed of the islands, it's still very low-key and simple – a world away from the busy life of mainland India.

**Note: In case of morning cruise departures, please carry packed breakfast**

## Day 3: Elephant Beach and return to Port Blair by evening ferry

Embark on a snorkeling trip, just 40 min by Boat, this beach offers snorkelers calm blue shallow waters and is the perfect spot for beginner snorkelers. The boat goes right up to the beach and it's so easy to slip on the gear and just start snorkeling. The beach is very scenic with fallen trees and white sand giving the photographer some interesting shots. The reef here starts close to shore at a depth of about 1 meter. Once you are done with the activities, spend some time lying on the beach and relaxing. Head back to Havelock by afternoon.

**Note: In case of inclement weather, if sailing to Elephant beach is not possible, alternate tour of Light house shall be conducted.**

## Day 4: Mount Harriet

Stationed at 365 metres and 15 km by road and ferry from Port Blair, Mount Harriet is the highest peak in South Andaman. Its natural charm and beauty attracts a lot of visitors. From the top of the peak, one can get a magnificent view of the Port Blair city, the Ross Island and the Havelock Island. One can trek up to Madhuban through a nature trail and can find rare flora and fauna, endemic birds, animals and butterflies. Mt. Harriet to Madhuban offers the awesome trekking trail; the complete track is lined with rich and meagre forest life, flora and fauna.

## Chidiyatapu Sunset

Chidiyatapu as the name suggests is a bird watchers paradise, with wide range of flora and fauna and the dense forests. The marine drive to Chidiyatapu from Port Blair passes through dense forests and beautiful sea shore. Munda Pahad beach is ideal for spending a lazy afternoon. The fallen trees along the coast line create an amazing landscape for photography enthusiasts.

The sunset view in the sea is a mesmerizing experience to end your day. You may enjoy evening tea in the beach and head back to Port Blair as it gets dark.

## Day 5- Day 8: Little Andaman (Hut Bay)

Reach Little Andaman (Hut Bay) Island by government boat. The travel date/time would depend on the ferry schedule, released 3 days back. Hut Bay is the most sought-after destination for the off-beat lovers. Visit Butler Bay beach and White Surf waterfall. The tranquil waters gushing down the rocks will calm you beyond imagination. Kalapather, Hawa beach, Harminder bay beach and Chattan are the other main attractions in Hut Bay. If you are adventurous enough you may trek to Whisper Wave waterfall.

**Note: Since there is no fixed boat schedule for Hut Bay, it is advised to keep your itinerary flexible to suit boat timings.**

## Day 9: Return from Hut Bay by Government Ship

Its time to return to Port Blair from Little Andaman. Most ships leave Hut Bay Port by evening and reach Port Blair the next morning. The ships are shuffled and any particular vessel cannot be guaranteed. Some ships have cabins, whereas the smaller speed boats have seats only. There are canteens on board which serve basic food items.

You will be received at Haddo jetty in Port Blair by our tour coordinator and transferred to your hotel.

## Day 11: Ross and Smith Islands

These beautiful islands are, few nautical miles from Diglipur Jetty. Speedboat your way to these beautiful twin islands. What makes these islands truly beautiful and sets them apart from the rest of the islands is that these two islands are joined by a natural sand bar linking both the islands. And thus, while walking on the bar one can move from one island to the other. This white, silky sand bar goes inside the sea at times of high tide and surfaces up again during low tide.

**Note:** There are no shops on the island, please carry snacks & water with you.

## Day 12: Return to Port Blair via Rangat

Start early morning from Diglipur for your return journey to Port Blair by the Andaman Trunk road. Few miles from Dhani Nallah is Amkunj beach. A perfect stop over to relax for a few moments before continuing your journey. Reach Port Blair by evening.

**Note:** You need to follow the timings strictly as the movement through tribal reserves is regulated by fixed time

convoys only.
